HISTORY

Mission in Action

In 1844, George Williams and eleven of his co-workers founded the YMCA in London, England. It was founded in response to unhealthy social conditions arising at the end of the Industrial Revolution. Growth of the railroads and centralization of commerce and industry brought many young men in need of jobs into cities like London.

The first North American YMCA opened its doors in November of 1851 in Montreal. Originally a place of friendship and support for young men interested in putting religious teachings into practice, the Y grew to offer public debates and lectures, evening classes, exercise and social activities that attracted far greater community interest.

One of the main reasons for the Y's enduring popularity is its ability to innovate and to be flexible. Each local Y shapes itself and its programs to the needs of its communities and to the diverse interests of its members.

The YMCA of Greater Saint John opened its doors in 1854. Over the years, Y programs have expanded and the notion of spiritual, mental, and physical development came to be fundamental to the Y – as represented by the triangle that represents an equal balance of spirit, mind and body.

The Y in our Community

Membership – Health and Fitness

The goal of membership is to promote healthy lifestyles, develop youth, support families and strengthen our community. At the Y we build healthy communities by engaging our members and participants in the development of body, mind and spirit. The Y's membership facility is located at 191 Churchill Boulevard. It has over 70,000 square feet of space which includes a Walking/Running Track, Therapy Pool, 25 Metre Pool, Café, Fitness Centre, Newcomer Connections, Fitness Studio, Gymnasium and Child Care.

Community Centres

Members and guests have the opportunity to participate in Y programs at our three community centres: Millidgeville Community Centre, Forest Glen Community Centre and the Quispamsis Community Centre. These sites offer a variety of programs for children, youth, adults and seniors.

Children's Services

The Y offers Child Care services to families, providing stimulating learning experiences in a safe environment. With over 600 children, the Y is one of the largest not-for-profit child care providers in the greater Saint John area. We have 3 full service child care centres and 9 after school programs.

The Rainbows Program is a volunteer based program that is offered in many schools in our Region through the Y. It is a peer support program for children, youth and adolescents dealing with a life altering crisis.

Youth Programs

The Y offers youth programs for older children and teens in our community centres and at the Regional Y location. Drop in programs are very popular and include such activities as games nights, dances, movie nights, ball hockey and basketball. The Y also offers a Youth Leadership Program for ages 13 – 18 where youth can develop their leadership skills through games, social activities, guest speakers and volunteering.

Newcomer Connections

The Y welcomes immigrants and refugees to the city through a variety of programs. More than 1500 individuals are served annually. In addition over 100 men and women attend English Language Training daily at the Regional Y location. This service is delivered in partnership with Citizenship and Immigration Canada.

The Y offers employment assistance through NBELT (New Brunswick, Employment & Language Training).

Overnight and Day Camps

The Y of Greater Saint John offers a variety of summer day camps at 7 sites including the Glenn Carpenter Centre, Millidgeville Community Centre, Forest Glen Community Centre, Quispamsis Community Centre, Bill McGuire Centre in Rothesay, St. Mark's Church on the west side, Early Learning Centre and the Regional Y locations. Camps are also offered over Christmas holidays and the March Break. In addition, 700 youth participate in overnight camping at the YMCA's Camp Glenburn on the Belleisle Bay.

Administrative Services

The Y of Greater Saint John support services for Finance, Information Technology, Payroll Staff Development, Human Resources and volunteers are located at the Saint John Regional Y location.

The YMCA Volunteer and Staff Partnership

The Y partnership of volunteers and staff is central to the work of the Association. This partnership supports the dedication of the Y to involve people in the programs and services to build strong kids, strong families and strong communities.

The volunteer-staff partnership allows the volunteer to:

- Develop leadership skills and other skills
- Give back to the community
- Create a more energetic and democratic way of life
- Develop a higher sense of self-esteem
- Develop self-discipline through goal setting

The volunteer-staff partnership allows the YMCA to:

- Expand the quality and the quantity of programs and services
- Increase the opportunity to deliver the Association's core values, through our programs and services to develop strong and healthy attitudes
- Multiply contacts and increase communication with members and the community.
- Maximize participation and individual experiences through the variety of skills and knowledge this partnership brings to the organization
- Provide desirable leader to participant ratios
- Increase the energy level of the Association to enhance spontaneity

The Definition of Volunteer

A YMCA volunteer is defined as anyone who willingly gives time to help the Y accomplish its mission without receiving compensation or special privileges of any kind from the Y.

Procedures

Volunteer Recruitment

The YMCA of Greater Saint John encourages the recruitment of volunteers from within its membership or program base, including parents of children active in Y programs and services. All volunteers shall go through a screening process, including a minimum of three reference checks, a satisfactory criminal reference check with a vulnerable sector screening, a Department of Social Development Check and all volunteers will be provided with a specific job description.

Volunteer Application and Placement

A Volunteer Application form is the first step for all volunteers. This form will help to obtain information on an applicant so that the best use can be made of the volunteer's interest, experience and talents. It is necessary to understand what people prefer in order to match them to the right position. Volunteers are required to:

- Complete a Volunteer Application Form and required volunteer documents.
- Interview with the Volunteer Coordinator or designate.
- Meet with the direct supervisor (or designate) prior to any direct program leadership placement.
- Submit a satisfactory criminal reference check that includes vulnerable sector verification prior to a Y volunteer placement prior to a volunteer placement. (Criminal reference checks for volunteers can be obtained at the Police Office where you reside. The City of Saint John and most outlying communities provide the checks at no cost for volunteers).
- Provide copies of current qualification when these are required.
- Participate in Orientation session including Health & Safety and Child Protection Training.

To safely manage programs and services and to demonstrate due diligence, the YMCA must be able to show that volunteer-management policies and practices are in place and that such policies and practices support

the appropriate matching of volunteers to volunteer positions.

The YMCA of Greater Saint John practices the Volunteer Canada Safe Step screening process. This screening is an ongoing ten-step process designed to identify any person, whether paid or unpaid, volunteer or staff, who might harm children, youth or other vulnerable persons. Screening helps people recognize that the Y cares about the individuals served in our community.

Volunteer placement based on skills and needs is the process of connecting screened volunteers with specific volunteer job assignments. Mutual benefit is when the compatibility of the volunteer's interests, experience, and qualifications match the specific requirements of a given position. It is one of the most crucial determinants of success in the YMCA's volunteer program.

Volunteer Development and Training

The YMCA of Greater Saint John recognizes that volunteers at all levels need opportunities for growth and development. Both the Y and the volunteer share the responsibility for identifying and implementing such opportunities.

- All volunteers shall participate in orientation and training events specific to their assignment and responsibilities.
- Y sponsored training events shall be provided at reduced or no cost to the volunteer.
- Externally sponsored training events shall normally be the responsibility of the volunteer. Any shared responsibility for such events shall be approved prior to the event, within the approved budget and subject to the availability of funds.
- Volunteers will be responsible for providing accurate records of participation, training and certifications to their supervisor.
- Volunteers will be expected to comply with the record keeping requirements of the Y.

All volunteer positions will require the volunteer to complete some level of training. Depending on the position, some will require more training than others for the position they are being asked to fulfill.

Orientation

During Orientation, volunteers will receive the following information:

- Child Protection Training
- Health and Safety Training including location of emergency equipment (First Aid Supplies, AED) and explanation of their role in an emergency.
- Facility tour and introduction to key staff and contacts.
- Description of the position and responsibilities.
- Uniform and dress requirements.
- Any additional information regarding training required for the position.

Uniform

Not all areas have defined uniforms for volunteers. Appropriate dress for the position the volunteer is fulfilling is expected, as well as presentation that represents the Y in the best possible light.

Some guidelines for volunteers are:

- Name tag to be worn at all times ("Volunteer" on tag)

- Clean and well-kept attire
- Good personal hygiene
- No clothing that may be deemed offensive or inappropriate
- Any tattoos or piercings that may be deemed offensive or inappropriate should be concealed while volunteering
- Y clothing should not be worn outside of the Y in situations where the behaviours of the volunteer may be questioned and discredit the reputation of the Y

Volunteers will receive, at no cost, appropriate uniforms when required and a name tag, which are to be worn when performing duties. Uniforms are to be returned upon completion of volunteer placement.

Volunteer Recognition

The YMCA of Greater Saint John will formally recognize volunteers on an annual basis; however, recognition of volunteers is an ongoing process within departments.

Volunteer Supervision

The YMCA of Greater Saint John believes in the partnership of volunteers and staff. In this regard, all volunteers shall have a supervisory link with a Y staff member. Volunteers shall receive regular feedback on their performance.

Policies

All volunteers shall be expected to adhere to the policies of the YMCA of Greater Saint John.

Conflict of Interest:

Volunteers should be free from any interest, influence or relationship which might conflict, or appear to conflict, with the best interest of the YMCA, or might affect their judgment or loyalty. This would include any other business activity, transaction or relationship that would be interpreted as illegal or unethical conduct or in conflict with Y interests. All volunteers must complete a Conflict of Interest Declaration Form.

Confidentiality Agreement:

The YMCA of Greater Saint John requires that strict confidentiality be maintained with respect to all information obtained by volunteers concerning the organization, as well as the clients and others they serve. The volunteer shall not disclose any information obtained in the course of his/her volunteer placement to any third parties without prior written consent from the organization. This includes but is not limited to information pertaining to financial status and operations such as budget information, donations of money or gifts in kind, salary information, and information pertaining to clients, staff or other volunteers. All volunteers are required to read and sign a Confidentiality Agreement.

Privacy Statement

As a charitable, community-based association, the YMCA of Greater Saint John is committed to protecting your right to privacy. The personal information you share with us is used only to support the work of the YMCA.

No information concerning any volunteer will be divulged without prior written consent of the volunteer. This includes addresses, telephone numbers, etc.

Discrimination and Harassment

All Y volunteers have a responsibility for understanding what constitutes discrimination and harassment and help to ensure that Y spaces are free from incident. Volunteers have an obligation to report any such activity.

Further, the goals of the Association with respect to the prevention of discrimination and harassment in any form are as follows:

- To create and maintain a friendly and respectful environment in the Y that does not tolerate abusive behaviour and reinforces socially responsible behaviour.
- To provide consistency in the manner in which incidents of abusive behaviour are handled at the time of the occurrence.

Facility Access

Volunteers may be members or non-members of the Association. There shall be no additional membership privileges extended to non-members other than use of the facilities and equipment on the day when completing volunteer program responsibilities and scheduled training events.

General Administration

Volunteers will be expected to comply with all Association policies and procedures, administrative and record keeping. Volunteers will be required to update all volunteer documents annually. Criminal Record Checks must be updated every 5 years.

Media Communication

In a crisis situation, the media contact for the YMCA of Greater Saint John is always the CEO. Volunteers are not to speak directly to the media under any circumstances. All media inquiries are to be referred to the most senior staff person available to the volunteer for further action. If Y staff are not immediately available, the volunteer should take the name and phone number of the media and advise them that it will be passed along to the appropriate staff member as soon as possible.

Risk Management

Volunteers shall be expected to provide leadership in a safe and attentive manner. This includes monitoring a safe environment and involving participants in safe activities.

In the event of an incident, recording the facts is critical. Volunteers need to complete an incident report as soon as possible. They should complete their report before leaving and submit it to their supervisor or designate.

Use of Personal Vehicles

Volunteers using personal vehicles to transport members or participants are doing so at their own risk and should ensure they have appropriate insurance coverage.

Volunteer Suspension or Dismissal

Any volunteer may be suspended or dismissed by Y staff if these policies are not followed. Any suspension or dismissal must be supported by written documentation by Y staff members, and must be for just cause.

Volunteer Code of Conduct

The YMCA of Greater Saint John is a charity, open to all, dedicated to providing programs and services to help individuals, families and communities grow and develop in spirit, mind and body. The Volunteer Code of Conduct is a statement which reflects our organizational values, communicates expectations and provides standards for the services provided.
