

Strong Communities Campaign

Strong Kids. Strong Adults. Strong Families.

The YMCA is a charity made up of a community of caring people helping to enrich lives. Each year the YMCA raises much needed funds through its Strong Communities Annual Campaign. The money raised stays right here in our community helping all ages and stages regardless of financial circumstances get access to Y programs and services. Strong Communities supports children by providing them access to programs like swimming lessons, youth leadership or camp. It helps improve the quality of life for older adults by giving them a place where they can connect and be healthy. It helps families get the support they need with child care costs and memberships. We believe that giving them the opportunities they need to reach their full potential will help them live healthier and happier lives.
