ABOUT

Camp Glenburn's beautiful, natural setting, rustic charm, and facilities make our site the perfect venue for your wedding celebration.

Located on the beautiful Kingston Peninsula, Glenburn is approximately a 40-minute drive from Saint John. The site sits on 30 acres of land, there are several walking trails, a waterfall, and more than 400 feet of waterfront beach on the Belleisle Bay, off the Saint John River. There is ample parking with space for up to 60 vehicles.

The brand new state of the art Fisher Hall opened in the Spring of 2019. It includes a brand new fully operational kitchen and offers space for up to 150 seated guests for a reception with beautiful rustic decor. Fisher Hall boasts ceilings with natural wood beams, a small stage area with a wood backdrop, beautiful 8ft live-edge tables & benches, as well as 50 dark green metal chairs. Renters may choose their preferred caterers. We do not provide any catering services.

Our camp is available for wedding rentals from September to June.
