

Red Triangle and Leader to Watch Awards

The YMCA of Greater Saint John values the significant contributions that individuals have made in our society. Since 1990, the Y has been recognizing individuals that have made a difference in the community.

The Red Triangle Award is presented in recognition of long and meritorious volunteer service, outstanding contributions and achievement within the Y or in the community. The recipient of this award has been an active volunteer and demonstrated a commitment to the community throughout their lifetime. They have made a difference to Canadian society.

The Leader to Watch Award is presented to an individual, 35 years or younger, who is a role model for youth in our community. This person demonstrates skills, enthusiasm and leadership in their work, in educational settings and as a volunteer in the community.

Many of the past recipients continue to serve the community on a daily basis. Their commitment and dedication continues to inspire others to follow in their footsteps and it is very important that these extraordinary people be recognized.
